Alien

Powerful alien technology and an alternate currency system based on Alien Influence.

Additional rules:

- Alien Influence in a price tag is a cost to build that card.
 - **Guests step:** Alien Influence in place of a star value on a card produces Alien Influence as income.
 - **Cleanup step:** Dismiss staff members who have any Alien Influence tokens and shuffle those cards into the Park deck.
 - **Game end:** Alien Influence scores 2 points each.
- They hover over every major city, but they claim they are only here to serve mankind.*
