First in Line

Choose a card from the Market and put it into your hand.

All it took was three weeks of waiting in a queue.

Dumpster Diving

Search the Park discard pile and choose a card. Reveal it and put it into your hand.

Friends won't mention that you stink if you spend too much time in the trash. But you do.

Anonymous Complaint

Inspection.

Choose a **type of ride attraction**, then choose a competitor and close all attractions of that type in their park.

"Won't anyone think of the children?"

Drunken Hooligans

Intrusion.

Choose a **guest services** upgrade in any park and demolish it.

It's not a real party until they trash something.

Project Management

You may draw up to three Blueprint cards then choose one to keep.

You may discard a blueprint you own.

The only way to manage some projects is to finally manage to get rid of them.

Merchandising

Gain 5 coins.

It's like printing money, if money were shaped like t-shirts, teddy bears, and coffee mugs.

Unusual Bequest

Build an **upgrade** from your hand immediately for free.
